

Parking Map for Unity of Indianapolis

We are located at 907 N. Delaware Street in the heart of downtown Indianapolis. Parking isn't a problem for anyone attending our Sunday services or events. There are hundreds of parking spaces located very close to the church, both surface lot parking and on-street parking, right in front of our entrance. Parking is available on both sides of Delaware Street on Sundays only. You may park in any area marked as green. Please avoid parking in red areas, as those are reserved for residents of those buildings and your car may be towed.
